Die Hard Blues

I've seen you cry
I've heard you lie
I've helped you try
I'll see you die.

As you grow old
I've watched the mold
Over you grow
And watched you grow cold.

I've climbed your mountains
I've crossed your prairies
I've lived your lies
I'll see you die.

I've seen your tears
Over the years
Grow with your fears
And dull your veneer.

And soon someday
You'll go away
Stone dead you'll lay
And slowly decay.

And soon my sorrows
For my tomorrows
With you will lie
When I see you die.
