If I Had My Druthers

I’m sorry for the bad words
The drinkin’ and the lies
And now you say you’re leavin’
And I understand why.
    Hon, I’ll try to be much better
    In doin’ things I do
    And if you give me my druthers
    I’d druther stay with you.

If you leave our home, dear
You’ll take half my life
For what good is a husband
Without a lovin’ wife
    Dear, I’ll try to quit my drinkin’
    And try to start anew.
    Please just give me my druthers
    Cause I’d druther stay with you.

Fightin’s good for only making one and one from two.
It takes a we and chops it up into a me and you
Now you gotta make your mind up what you’re gonna do
And if my druthers count, I’d druther say for you.

So please forgive my actions
Take my apology
I’ll make up all the bad times
Darlin’ can’t you see
    Hon, I’ll love you more than ever
    And want your lovin’ to
    Please just give me my druthers
    I’d druther stay with you
    I want you to feel the love dear
    That I feel for you.
"IF I HAD MY DRUTHERS" by Bob Marks

I'm sorry for the bad words, the drinking and the lies.
So please forgive my actions, take my apologies.

Life's hard, but you say you're leaving me a husband.
I'll make up all the bad times and try to quit my drinking.

Try to be much better and try to start a new love.
And if you give me my druthers, I'd do too.

Druther stay with you.
FIGHTIN'S ONLY GOOD FOR MAKIN' ONE AND ONE FROM TWO,
IT TAKES A WE AND CHOPS IT UP IN-
TO A ME AND YOU, AND NOW YOU GOTTA MAKE YOUR MIND UP
WHAT YOU'RE GONNA DO, AND IF MY DRUThERS COUNT, I'D
DRUThER STAY WITH YOU, YOU YOU SO
I WANT YOU TO FEEL THE LOVE DEAR, THAT I FEEL FOR YOU
IF I HAD MY DRUTHERS
